

## **Digi Tech Trading Unveils Cutting-Edge Innovations at CABSAT 2024**

Dubai, UAE - March 25, 2024 - Digi Tech Trading, a premier provider of Professional Filmmaking and Photography Equipment, is thrilled to announce its participation in the prestigious CABSAT exhibition, set to take place from May 21 to May 23, 2024, at the Dubai World Trade Centre.

As an industry leader committed to pushing the boundaries of technology in the realm of filmmaking and photography, Digi Tech Trading is poised to showcase its latest advancements at Stand AR-G40 in Hall No: Arena Plaza 1.

At this year's CABSAT, visitors can expect to witness firsthand the revolutionary Zinema Motion Camera Robotics, designed to elevate cinematography to unprecedented levels of precision and creativity. Additionally, Digi Tech Trading will present Canon PTZ and Cinema Solutions, providing professionals with unparalleled versatility and performance in capturing dynamic visuals.

Furthermore, attendees will have the opportunity to explore the innovative Senna Lights, meticulously crafted to illuminate scenes with unmatched clarity and brilliance, enhancing the overall quality of production.

"We are excited to unveil our latest innovations at CABSAT 2024," said George Ghazal, General Manager at Digi Tech Trading. "Our commitment to delivering cutting-edge solutions for filmmakers and photographers remains unwavering, and we look forward to engaging with industry professionals and enthusiasts alike at this prestigious event."

Visit Digi Tech Trading at Stand AR-G40 in Hall No: Arena Plaza 1 to experience the future of filmmaking and photography firsthand.
