Plustek Returns to GITEX Africa 2024 with Cutting-Edge Tech

Enhancing Operations with Integrated Kiosk Solutions and Versatile Document Handling

TAIPEI, Taiwan, April 3, 2024 – Plustek Inc., a leader in imaging technology known for its innovative scanners, eagerly anticipates its return to GITEX Africa after the success of last year's exhibition. From May 29 to 31, 2024, in Marrakech, Morocco, this premier tech and startup event will feature cutting-edge technologies shaping the continent's digital landscape. Plustek will spotlight tailored solutions designed to meet evolving business needs and drive Africa's digital transformation journey forward, empowering organizations to thrive in their fields competitively.

A highlight of the exhibition is Plustek's kiosk solutions, notably the SecureScan X series. These ID card and passport scanners swiftly verify identities with multiple light sources for security measures and seamlessly integrate captured data into management systems. Plustek will also introduce the VTM 300 document scanning module, enhancing kiosk functionality with paper skew detection and dual paper ejection, ensuring efficient self-service delivery and optimal user experiences.

In addition, Plustek will showcase its popular scanners, including the SmartOffice and OpticSlim series, for diverse office needs. From bulk document handling to high-resolution image capture, these scanners offer versatile solutions to streamline workflows. Plustek's software capabilities further automate tasks like data extraction and file archiving, boosting workplace productivity.

"We're thrilled to return to GITEX Africa for the second year," said Karen Ku, VP of Sales at Plustek. "The insights gained from last year were invaluable, and we're eager to leverage them. With a deeper understanding of the market and its evolving needs, our aim is to strengthen connections and forge new collaborations, contributing to Africa's technological advancement."

Step into the future of technology and startup innovation with Plustek at GITEX Africa 2024. Visit booth #17A-3 to discover how advanced solutions are transforming document management and data processing in the modern digital landscape. Don't miss this opportunity to experience firsthand and schedule your one-on-one meeting for a personalized demonstration today.
