

## **EmizenTech, a Leading Digital Solutions Provider, to Showcase at GITEX Africa 2024**

EmizenTech, a digital tech partner, is excited to announce its participation at **GITEX Africa 2024**. The company will showcase its top-notch eCommerce and mobile app development services at **Booth 21E-26 in Marrakech, Morocco**.

***Trixie LohMirmand, CEO of KAOUN International and the organizer of GITEX Africa expressed excitement about the upcoming event, which will follow the success of its inaugural edition last year.***

**GITEX Africa 2024** is set to bring together 1500+ exhibitors for its second edition, creating a platform for tech firms, startups, investors, and stakeholders to engage in tech conferences and collaborative ventures.

EmizenTech will highlight its expertise in developing user-friendly eCommerce mobile apps, creating engaging online shopping experiences, implementing advanced technologies like AI-enabled personalization, and providing insights on the emerging eCommerce landscape. Visitors can also witness live demos showcasing the power of eCommerce development platforms.

The company's representatives will be available at **Booth 21E-26** to discuss specific business needs, enhance online presence, and drive sales for potential clients.

- **Amit Samsukha, CTO and Co-Founder:** "We see this as the best opportunity to empower businesses in the dynamic eCommerce world."

- **Vivek Khatri, MD and Co-Founder:** "We are ready to share our knowledge with clients from various industries and explore collaborative opportunities."

- **Virendra Sharma, CEO and Co-Founder:** "We are eager to give wings to your business venture leveraging the latest technologies and our brightest minds."

EmizenTech invites attendees to join them at **GITEX 2024** to learn how technology can strengthen their online presence and expand their customer base in the ever-evolving tech world.
