

## EmizenTech to Present Food and Grocery Delivery Marketplace Solutions at Gitex Africa 2024

EmizenTech, a leading global technology solution provider, is thrilled to announce its participation in Gitex Africa 2024. The event will occur from May 29 to May 31 in Marrakech, Morocco. EmizenTech will showcase its cutting-edge Food and Grocery Delivery Marketplace Solutions, which are designed to revolutionize the industry by integrating advanced technologies.

At Gitex Africa 2024, EmizenTech's tech leaders Amit Samsukha (CTO & Co-Founder), Virendra Sharma (CEO & Co-Founder), and Vivek Khatri (CEO & Co-Founder) will be presenting the company's latest innovations in Food and Grocery Marketplace Development. Their solutions leverage [Artificial Intelligence \(AI\)](#), the Internet of Things (IoT), and other futuristic technologies to enhance user experience, streamline operations, and drive business growth.

"We are excited to bring our expertise and advanced solutions to Gitex Africa 2024," said Amit Samsukha. "Our Food and Grocery Delivery Marketplace Solutions are designed to meet the market's evolving needs by incorporating AI, IoT, and other cutting-edge technologies, ensuring efficiency and excellence in service delivery."

Virendra Sharma added, "EmizenTech's presence at Gitex Africa underscores our commitment to providing innovative technology solutions that drive digital transformation. We look forward to engaging with industry leaders, potential clients, and partners to discuss how our solutions can address the unique challenges of the food and grocery delivery sector."

Vivek Khatri emphasized, "Our participation in Gitex Africa 2024 is a testament to our dedication to pushing the boundaries of what's possible with technology. We are excited to showcase how our solutions can help businesses enhance their operations and deliver exceptional customer experiences."

EmizenTech invites attendees to visit their booth at Gitex Africa 2024 to learn more about their innovative solutions and explore potential collaboration opportunities.
